

VACATION BIBLE SCHOOL · CONFERENCE EDITION

# VBS That Lasts. A Price That Doesn't Break the Bank.

Six complete Vacation Bible School programs. Reuse them year after year. No subscriptions, no gimmicks. From \$99.

## WHY WE BUILT IT DIFFERENTLY

### We Changed the Rules. Here's Why.

Every year, major publishers roll out a brand-new VBS program. New theme. New logo. New price tag. And every year, churches dig into already-tight budgets to buy it all over again. We asked a simple question: *Why?*

The Gospel doesn't change. The Bible doesn't get an annual update. So we built six complete VBS programs designed to be used again and again—and we priced them so any church, any size, can say yes without a committee vote.

#### The Typical VBS Model

- New curriculum every year (\$500–\$1,000+ per summer)
- Flashy themes designed to expire by October
- Nickel-and-dime add-ons sold separately
- Last year's purchase already feels dated

#### The Go Fish VBS Model

- ✓ Buy once, use forever—six programs in rotation
- ✓ Timeless themes rooted in Scripture
- ✓ Everything in one download, nothing held back
- ✓ Heavy on the Bible—every single day

*We had one young boy who doesn't attend our church ask if he could skip games and crafts to 'go learn more about Jesus.' We also had 33 kids accept Jesus as their Savior.*
